They left on the west bound train for a bridal tour of ten days to Washington and other Eastern cities.

After their return they will occupy the groom's beautiful home and receive the congratulations of a host of friends.

A new voting booth has been put up in Clay City. No more voting in the school house.

IN SMOKE

The Beautiful Residence of Mr. Ed Wilson and a Good Portion of its Contents Consumed Early Monday Morning.

OVERTURNED LAMP STARTS FIRE

At half past four o'clock Monday morning the sounding of the fire whistle was heard, and the greater part of our residents were soon up and awake to see where the fire was. It proved to be the beautiful and attractive residence of Mr. Ed Wilson in the eastern portion of the city, and soon it was laid in ashes, and gone up in smoke.

It was too far to be reached by the water works and when help arrived, there was no possibility of extinguishing the flames.

The fire was started by an overturned lamp in the kitchen. Mr. Wilson, as is his custom, arose early and had made a fire in the kitchen. The lighted lamp, which was sitting on a near-by table, was knocked on the floor when the oil spread at once, the flames following it. Mr. Wilson threw a bucket of water on the fire but this seemed to only further spread the oil and increase the headway of the flames. At once it was seen that the house was doomed to burn, so the alarm was sounded, and as many of the contents as possible carried out.

The loss will reach no less than \$3,000, which is only covered by \$1,500 insurance. The house was very nicely furnished, and had not much of the furniture been saved, the loss would have been a great deal heavier. However the furniture saved is damaged considerably and is not worth near what it was in the house.

Mr. and Mrs. Wilson, who are of our very best citizens, have the sympathy of a large number of friends in their loss.

The furniture saved was moved to the house opposite the Central Hotel, where Mr. and Mrs. Wilson have gone to house keeping again.

Where The Difference Comes In.

Albert Hamilton, the Republican nominee for Representative in the Estill-Powell district, is a very nice gentleman, a good citizen and a good school teacher. The writer used to go to school to him so we know he is a good teacher, and we are sure he is a better teacher than he would make Legislator, and, besides, it will never do to take him from the schools of Estill county after such a long period of yoe-man service.

**

Hon. Albert Easter is of the stripe that good Legislative timber is hewn. He can think, he can talk and he can succeed. He is a public speaker, and can portray in words every idea connected with his subject, and can demonstrate in a most effective manner the merits of the cause he represents. This power is invaluable in a Legislator. A man may be a moral man, he may be an edu-

cated man and yet not be a statesman by long odds.

This is the situation today, you vote for Easter, you help to elect one of the best Representatives that will go to Frankfort this winter, or you can vote under the log cabin, which means that your vote is not only lost but that you have voted against a man who can not be excelled for Legislative ability.

Vote for Albert Easter and if anything is in store for us at Frankfort it will be brought out this winter, by a man who is true to his country, true to his party, true to his family and true to all mankind. Vote for Easter.

Valuable Information.

Mr. John D. Atkinson, County Attorney of Powell for the past four years and thoroughly posted on the financial condition of not only Powell, but the surrounding counties, has kindly furnished us with the information herein contained over the signatures of the respective County Court Clerks of the counties named. The county of Estill levies 50 cents on the \$100 worth of taxable property, pays the County Judge \$500; County Attorney \$500, and School Supt. \$500. The county of Lee levies 50 cents on the \$100 and pays her Judge \$500; County Attorney \$500; School Supt. \$450. The county of Menefee levies 40 cents on the \$100 and pays her Judge \$350; County Attorney \$350 and Supt. of Schools \$400. The county of Wolfe levies 40 cents on \$100 and pays her Judge \$400; County Attorney \$400 and Superintendent \$500. Thus it will be seen Powell county is about on the same footing as the adjoining counties, since her levy at the last term of the Fiscal Court was fixed at 40 cents on the one hundred dollars, and the salaries are ranging about the same, while Powell is far ahead of either of the named ties in the way of public improvements, her roads being far superior, her court house and jail much better, and she owns and maintains a poor farm.

Then why is it some people want to complain and suggest changing the present administration from the hands of those who have been tried and shown their efficiency, and place the reins in the hands of those who are without experience?

When you are sick, you seek the most experienced physician; when you go into litigation, you want the best lawyer; if you have a difficult calculation, you desire the most skillful mathematician to make it. Then why would you think of trusting your public affairs in inexperienced hands.

Judge Derickson is faithful, is honest, is capable, is qualified, has been tried and found true. Your affairs are surely safe while he is at the helm, then vote for him.

Robert Blackburn.

Robert Blackburn is a clever man, and never in his life struck anything that suited him so well as a job with the Standard Oil people whom he has represented for the last three or four years at a good salary; too good, in

fact, to give up for the small salary of County Clerk, and, beyond a doubt, Bob does not intend to do that. If by chance, he should be elected, it would be too confining on Bob, and he thinks, no doubt, it would be a nice place for the Major to sit around and more fully expatiate on the sins of the Democratic party.

Bob will never get to appoint a deputy.

**

ED. ROSE.

The Rose family are the pioneer settlers of Powell county, even before it was formed. They have always been among the most substantial and trustworthy people among us, and none of them have ever asked for office except R. P. Rose, brother of the present candidate for County Clerk, and he made one of the most efficient Assessors we have ever had.

Ed. Rose is a plain, unassuming man, and when elected County Clerk of Powell, will show the metal of which all the Roses are made. Vote for him.

SPOUT SPRING.

Farmers are very busy in this section but will take a day or two off when the hunting season opens and give Mr. Quail a lively chase.

R. H. Curtis has started his broom factory here and will make brooms for the public on the usual terms and rate. Your patronage solicited.

John M. Kennon has recently moved his saw mill to William L. Jackson's farm, near this place, and will there saw up a quantity of timber.

Elder George W. McIntosh will preach at the Baptist church at this place Saturday and Sunday. A full attendance of the members is requested on Saturday as important matters will come before the church.

Asa Todd, than whom there is no better farmer in this community, has marketed the past week some very fine apples. Fruit growing is recognized by Mr. Todd as a very profitable industry, and thinks more should be grown in this county than what is now raised here. A few more citizens and farmers like Mr. Todd and this country would be far better off.

Silence Gives Consent.

The old maxim, silence gives consent should hold good in city politics as well as elsewhere, but it don't seem to do it.

Two years ago when the larger portion of Democrats in this city thought best to put up a straight Democratic ticket, they called a mass meeting of the Democrats of the city and urgently requested every one whether they favored the putting up a ticket or not, to come out and give advice and consult with each other. The meeting was held, and not a Democrat objected, but all present favored the ticket. Fearing they might be too hasty, and not give those of the party who were understood to object to the proposition a full hearing, another meeting was held, still no one dared to show up who thought best to ally with the Republican party. So, at the second meeting, the party organized and a convention called which nominated a full city ticket which was elected.

Not a Democrat had the face to come to the meeting and object to what was done. The two first meetings were held solely for a family consultation and advice, but the "citizens" element didn't show up, were silent which might have been considered for consent. Now we think they should abide by the will of those who have interest enough in the matter to attend such meetings.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer One Hundred Dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

OUR CANDIDATES.

The Democrats of Powell county this year have a fine ticket to vote for, one above the average which is saying much. However, we believe this to be the truth and are glad such is the case.

HON. ALBERT EASTER

for Representative, who heads the ticket is a gentleman who is widely known in both counties of the district finely fitted for the position, being one of us common people. Reared in our midst, he knows our needs and, better still, knows how to bring about the proper measures to get for his constituency these needs. He is the man who is not too weak-kneed, too timid or too afraid to stand up in our Legislative hall call for, demand and secure for our two counties every benefit in sight for them. When elected, he will be an honor to the district and the party he represents. Stamp under the rooster.

GEO. M. DERICKSON

for County Judge, is a true and tried Democrat, one who has fought and suffered in its defense. He is also a man of clear public record, has served the county one term as sheriff and never known to swerve from duty attendant to the office. In the capacity of County Judge he has never been found wanting to shoulder every duty which comes up, has displayed fine judgment in all business affairs, and as a trial Judge has proved to be fair and impartial under all conditions and circumstances. A vote for Judge Derickson will be one never to be regretted later on. A single X under the rooster will catch him.

JOHN D. ATKINSON

for County Attorney, is equal to the demand for one of the brightest, best and most widely experienced lawyers in the county. He

fills every requirement and is always alert to perform any duty when it comes up. Under his counsel, many dollars have been made and saved for the county the past four years, and as the Republicans could find no one willing to make the race against him he will perform these same duties for four more years. His record for Democracy is of the pure and undefiled brand, for which he is justly proud. A single stamp in the circle under the rooster catches him and all other nominees.

EDWARD ROSE.

a man eminently fitted for the office of County Clerk, is the choice of the Democrats of Powell county at their primary election last fall. His sobriety and excellent ability are great inducements to voters, for it is very important to have such a man in the Clerk's office. He is now, and has always been a sound and hardworking Democrat. He will give the office his personal attention as he will retain no other business after the election, but give his whole time to the duties of the office. In fact, as everyone knows, he is running for the office for his own benefit; not for a near relative or speculation. He can and will care for the office in a most satisfactory and business-like manner. The game rooster never scratches good Democrats and good men like Mr. Rose. Stamp only under the rooster.

JOHN M. KENNON

well-known to all of our readers, is the party's popular standard bearer for the office of Sheriff in our county. He has been raised in the county where he numbers his friends by the score, and who have seen to it that no opposition be given him, not that it would endanger Mr. Kennon's chances of winning the race; but because, many of these being Republicans, realized that no man in their party can poll its full strength against him. He will make a fine officer. A vote for Mr. Kennon along with all the nominees is the right policy. Don't forget that the rooster takes care of all votes laid at his feet.

REV. R. A. IRVIN

is, possibly, better suited for the office of Superintendent of Schools than any other individual in the county. His profession is in direct line with school work, and neither will conflict with the other. He is an able scholar and has taught a number of schools in the county which makes him thoroughly acquainted with the work he has to perform. Opposition to him would have been a useless endeavor, and well have the Republicans observed this fact. He is an old Confederate, and is sound in the faith of Democracy as far as is consistent with his calling. There could be no inclination to scratch when it comes to his name. Vote the ticket straight.

JAMES W. WOOLERY

than whom there is no better Democrat, or gentlemanly candidate is making a sweeping race for Assessor. Well, not exactly a race now, for this was completed when the result of the last primary was announced and Jim was the lucky man. Though a very bad cripple, he will creditably perform the duties of the office. Every body can most heartily support the big open hearted Jim Woolery. Stamp in the circle under rooster.

BEAUTIFY YOUR HOME WITH KINLOCH PAINT

Important Memorandum—The painter in the most important factor in painting. A job completed by a good painter with the best quality of paint, costs only \$10.00 (\$40.00 labor, \$30.00 paint) and lasts five years. The same job applied by a shabby (\$30.00 labor, \$20.00 paint) will last only two years. Thus the "per-year-cost" of the good painter's job is \$12.00—the poor painter's \$20.00.

A small investment in paint adds greatly to the value and beauty of your property and makes you a "good neighbor" by making a good neighborhood. Good painting is one of the best investments and pays big returns in improved values. It's a saving, not an expense. But when you paint—buy only

Kinloch HOUSE PAINT

There's one indisputable reason why, a reason every honest painter will acknowledge—"The Oil is the Life of Paint," and the sure way to get good oil is to buy it fresh and pure from the dealer's barrel, not from the ready-mixed paint can. The paint that is ready to mix with linseed oil, gallon for gallon, is KINLOCH PAINT, and we recommend its use for every good reason we know.

B. Littlepage & Son, CLAY CITY, KY.

KINLOCH PAINT COMPANY

GEORGE STEPHENS has been wisely selected by the Democrats as the man suited for the office of Jailor of Powell county, and the Republicans, just as wisely has seen fit to give him no opposition. He is a Democrat of the right kind, a gentleman of the right and will make a Jailor of the right. Like all of his running mates, he is a moral and consistent gentleman, and a man that will satisfy all the people of the county as Jailor.

LOCAL BREVITIES.

Attorney C. F. Spencer, of Winchester, was here Tuesday on legal business.

George W. McKinney, of Winchester, was here two days of last week on business.

Attorneys M. A. Phillips and John D. Atkinson were in the city Monday and Tuesday.

Dr. and Mrs. J. W. Williams visited Rev. L. J. Reynolds at Carlisle a few days this week.

E. E. West, the well-known hardware drummer, was taking orders from our merchants Friday.

Cashier J. F. Cox returned from Bowling Green Tuesday where he is also president of the Bowling Green National Bank.

Mr. and Mrs. E. A. Lovel, who have been residents of our city for the past few months, left yesterday for Marion, W. Va. where Mr. Lovel has a position as saw filer at a good salary.

Robert, the bright little two-year-old son of Judge and Mrs. W. T. Webb was quite ill with membranous croup for several days this week, but is much better, we are glad to state at present.

Major J. B. Blackburn has taken charge of the Stanton Herald and will resume publication of the journal soon after the election. Mr. Blackburn is a capable man and should meet with success in the venture.

When it is not raining this is the best time in the year to paint as there is no dust flies or nats to bother and soil the appearance of the paint when applied. If you are going to paint soon now is the time before freezing weather begins as freezing ruins paint.

If you want to always be on time keep your watch in good repair. See Webb.

A Texas farmer reports the production of one pumpkin vine at eight pumpkins, weighing altogether, 329 pounds. The largest one weighing one hundred and fifteen pounds while the three smaller ones weighed only fourteen. This is some pumpkin, but there certainly is some farmer in Powell who can equal it. If there is let us hear from you.

Only five days until the election. Go to the polls early and vote straight and we are sure you will feel better.

The snow Tuesday predicted by Asa Martin, the well-known weather prognosticator, of Lexington, failed to materialize. It seems that these weather forecasters are kinder like other people poor guessers these days.

You ought to see those pretty Hats at Mrs. J. W. Williams! and at prices to suit every one.

Mrs. J. W. Williams,
Clay City, Ky.

We have had some very damp, dreary weather this week, but not enough to suppress the smiles on our Democratic candidates' faces. The air of success is flagrant in their noses, they have pictured to their opponent, the hand writing on the wall, and it is now evident that the battle is won and all over but the slight performance of voting and the shouting. Vote the ticket straight.

A Disastrous Calamity.

It is a disastrous calamity, when you lose your health, because indigestion and constipation have sapped it away. Prompt relief can be had in Dr. King's New Life Pills. They build up your digestive organs, and cure headache, dizziness, colic, constipation, etc. Guaranteed at Swann-Day Lumber Co's store; 25c.

Our line of Fall Millinery is ready for your inspection. It is all one could wish. Words but poorly describes it. It should be seen to appreciate. Mrs. J. W. Williams, Clay City, Ky.

Pressing the Season.

Shot gun reports through the country are evidence that the hunting season surely is being pressed by some of the boys who regard their own personal wishes superior to the law in the case. The law, which does not expire until November 15th, however, is doing some good inasmuch that it certainly does stop the sale of the game except during the season, and that alone means great protection to the birds.

A Fearful Fate.

It is a fearful fate to have to endure the terrible torture of piles. "I can truthfully say," writes Harry Colson, of Masonville, Ia., "that for Blind, Bleeding, Itching and Protruding Piles, Bucklen's Arnica Salve, is the best cure made." Also best for cuts, burns and injuries. 25c at Swann-Day Lumber Company's store.

There is nothing more provoking than an incorrect time piece. If you have a watch or clock of this kind take it to Webb, Clay City's Jeweler and silver smith, and let him fix it. All work guaranteed.

Son Lost Mother.

"Consumption runs in our family, and through it I lost my Mother," writes E. B. Reid, of Harnony, Me. "For the past five years, however, on the slightest sign of a Cough or Cold, I have taken Dr. Kink's New Discovery for Consumption, which has saved me from serious lung trouble." His mother's death was a sad loss for Mr. Reid, but he learned that lung trouble must not be neglected, and how to cure it. quickest relief and cure for coughs and colds. Price 50c and \$1.00; guaranteed at Swann-Day Lumber Co's store. Trial bottle free.

As most people in this section use wood for fuel, it being much cheaper, they should see that it is put in the dry early and allowed to season as it is burned. In this way it will take much less wood and make far better fires. Out in the snow and wet grabbing wood is a very obnoxious job and one that is also expensive. Every farmer should have a convenient and roomy shed sufficient to hold enough wood for the winter. It need not be an expensive structure, just so it is well covered and has two sides to keep out the north and west winds which will blow in the rain. See to it at once that you have the shed and it fitted with wood. Any kind of dry wood makes good fires while any kind of wet wood makes poor fires.

Man's Unreasonableness

is often as great as woman's. But Thos. S. Austin, Mgr. of the "Republican," of Leavenworth, Ind., was not unreasonable, when he refused to allow the doctors to operate on his wife, for female trouble. "Instead," he says, "we concluded to try Electric Bitters. My wife was then so sick, she could hardly leave her bed, and five [5] physicians had failed to relieve her. After taking Electric Bitters, she was perfectly cured, and can now perform all her household duties." Guaranteed by Swann-Day Lumber Co., price 50c.

If You ARE A Democrat

Or if You are not You will want to read

Bryan's Commoner.

ON MARCH 17 The Commoner announced the Primary Pledge organization plan. This plan provides for Democrats to sign a pledge, binding themselves to attend all primaries of their party between now and the national campaign of 1908. It is a practical method for the organization of the party by the rank and file, in order that it may prove true to its name and be the efficient servant of the people in the establishment of reform. A little investigation will convince you that the Commoner has hit upon a feasible and effective method of persuading Democrats to participate in the councils of their party.

These pledges are pouring into the Commoner office by the thousands, where they are carefully filed by state, county and voting precinct.

If the same interest manifested in this work during the past four months is maintained during the next two years, the total membership will exceed four million Democratic voters.

The Commoner is issued weekly, subscription \$1 a year. By special arrangements, for a short time only, we offer the Clay City Times and The Commoner one year both for \$1 10.
